1:30 P.M.

Dr. Kathleen Moran, Executive Director of Human Resources for the Brockton Public Schools and Matthew Beals, Associate Director of Human Resources for the Brockton Public Schools met with the Retirement Board to discuss matters pertaining to the Retirement Office.

Board discussed the importance of pre-employment physicals for city/school employees, especially those performing physically demanding jobs.

They discussed timely submission of Personnel Action forms, and the need for accuracy. Of particular concern was a prior submission for Hau Ngyun. The School acknowledged that they found they made an error in the initial report and corrected it when the Retirement office questioned the member's eligibility. The PA's also need to indicate if an employee is on military leave so that the office can properly account for service time and deductions that should be credited to a member's account.

They discussed the importance of providing contracts for "one to one" employees and if they are funded from a grant, they would supply the grant documentation.

They discussed a prior PERAC Audit write up which pertains to the 2% programming of regular compensation in excess of \$30,000.00 annually

The School representatives thanked the Board for the invitation and stated that they would work with the Retirement Office to provide them with whatever they can.
